Purpose

This policy defines eligible employee business expenses and reimbursement requirements.

Business Travel

Reasonable transportation, accommodation, and business-related travel expenses may be reimbursed when the travel has been approved in advance.

Receipts

Employees must provide receipts for individual expenses of 25 USD or more. Expenses below 25 USD may be reimbursed without a receipt when the expense is clearly described.

Submission Deadline

Expense reports should be submitted within 30 calendar days after the expense is incurred.

International Expenses

International expenses must include the local currency amount and the converted reporting currency amount. The exchange rate used for conversion must be recorded with the expense report.

Approval

Expenses must be approved by the employee's designated manager before reimbursement is processed.
